Re: Public Records Act Request  
Reference No. 19-58 PRA

Mr. Rubins:

I am a designated custodian of records for the San Diego County District Attorney's Office responsible for compliance with the California Public Records Act (CPRA). On July 5, 2019, we received your email in which you request the following records, pursuant to the CPRA:

*... all "Brady lists," "Giglio lists," "potential impeachment disclosure lists," or any similar compiled records or lists of records of the type set forth in California Penal Code §832.7 (b)(1)(C). That is, "Any record relating to an incident in which a sustained finding was made by any law enforcement agency or oversight agency of dishonesty by a peace officer or custodial officer directly relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another peace officer or custodial officer, including, but not limited to, any sustained finding of perjury, false statements, filing false reports, destruction, falsifying, or concealing of evidence."*

On July 15, 2019, I notified you that this office needed more time to consult with multiple components of this agency pursuant to Government Code section 6253, subdivision (c)(3). Thank you for your patience. After a reasonable search, no responsive records were located, as defined by Penal Code section 832.7, subdivision (b)(1)(C).

Sincerely,  
Karl Husoe  
Deputy District Attorney
